Agenda

Item	Topic
1	Welcome and introductions – Rachel Honey-Jones, Newydd and Jonathan Conway, United Welsh
2	Roundtable discussion: Wales network check in As we have not met for a little while, we wanted to make space for Wales network members to check in, reconnect, and share. Some questions which could help shape the conversation: • Wellbeing check-in – how is staff wellbeing at the moment? How is resident wellbeing currently? • Is your organisation providing support for staff members because of the impact of cost of living crisis? • What are your priorities for supporting residents at the moment? • Do you feel that community investment services are at risk at the moment? • Social value measurement – is this remaining part of discussions, or is it lower on the agenda due to many competing pressures currently?
3	Centre update – Adam Chester, HACT
4	AOB and close
